MINUTES OF THE
IDAHO STATE BOARD OF PHARMACY

Conference Call
October 25, 2001

Chairperson Kitty Gurnsey called the Conference Call to order at 3:00 P.M. In attendance by phone were Board members Marilyn Silcock, Pharm D.; Merl Dalton, R.Ph.; and Mike Merrill, R.Ph. Also in attendance was Jan Atkinson, Senior Compliance Officer.

On the agenda was the review of Jon-Eric Baillie's Amended Stipulation signed by the Board of Medicine. Dr. Baillie's attorney, Brian Donesley had requested that the Board review the Amended Stipulation before they took any further action regarding this matter. Chairperson Gurnsey notified the Board members that Dr. Baillie had not understood that the interim Order was still in effect during this process, and he had prescribed some controlled substances up until October 19, 2001, when he was notified by his attorney that he must wait until an order was signed. Dr. Silcock made a motion to approve the Board of Medicine's Amended Stipulation for Dr. Baillie without additional modification or change. Merl Dalton seconded the motion. Motion passed. Chairperson Gurnsey stated for the record that the Board agreed with the Board of Medicine's actions to allow Dr. Baillie to return to work and grant the people of Council the opportunity to keep their local hospital open.

Minutes respectfully submitted by Jan Atkinson, Senior Compliance Officer.
