Spring 2016

Live Law CE + Board Listening Sessions

The Board of Pharmacy will hold its 2016 strategic planning meeting on April 8, 2016 in Boise. Prioritized topics that will be covered include pharmacy technicians (appropriate roles, responsibilities, education and training) and curbing prescription drug abuse, among others.

To facilitate public input in the planning process, Board staff will hold informal listening sessions approved for 1 hour of live law CE at the following times and locations. Board staff will also review law and rule changes for 2016.

We encourage pharmacists and technicians to attend and share their feedback on the topics that are important to you!
