Re: Division of Medicaid Letters to Idaho Pharmacists

Recently a letter was sent to Idaho Pharmacists from the Idaho Division of Medicaid. The letter is causing some confusion regarding the pharmacist's license expiration date. The letter informs the pharmacist their license expires 1/31/22 and must be renewed in order to continue participation in the Idaho Medicaid program.

These letters are incorrect. Medicaid is aware of the issue, and they are diligently working to resolve it. Any pharmacist receiving this letter can verify their license expiration date on the Idaho Board of Pharmacy website, <https://idbop.mylicense.com/verification/> . Pharmacists that have renewed their license do not need to do anything. Licenses that will expire soon should be renewed in a timely manner to avoid any lapse in licensure.
