Do you want to be able to treat patients with opioid use disorder but don't know where to get free training? Look no further!

Free MAT Waiver Training

Hosted by ECHO Idaho

Tuesday, September 24, 2019

12:30 - 5 p.m. MT

Earn your MAT Waiver to prescribe and dispense buprenorphine in this two part training.

- Live 4-hour seminar using video conferencing
- Online modules you complete on your own

Join with Zoom video conferencing from anywhere in the state! **Participants must be able to join using a webcam.**

The training is for physicians, nurse practitioners, physician assistants, and anyone interested in auditing the training. The training will be led by Dr. Magni Hamso and Dr. Todd Palmer of Boise.

Both portions of the training are free and approved for CME credits based on your professional designation.

Physicians who complete the training qualify for the waiver to prescribe and dispense buprenorphine. Nurse practitioners and physician assistants will also qualify for the waiver after an additional 16 hours of training.

More specific details, along with RSVP information, will be released the first week of August and accessible [here](#).
