## Technician conversion

### Grandfathered technicians

- No action needed. Will renew as normal with the Pharmacy Technician designation

### Student technicians

- Maintain current application process
- Expiration will be end of school program

### Current Technician in Training

- Will keep TT##### [registration number] but will be converted to Pharmacy Technician registration type and renewals set
- Renewals for those expiring in 2020 they will renew on their expiration date in 2020 [starting in June 2020 thru December 2020] and will be then converted to birth month expiration for 2021 renewal. First renewal will be June 2020
- For YR 2021 and 2022, those will be converted to birth month for those years and will renew on birth month in those years

### Going forward

Pharmacy technician application will be created to have T##### license number. Those affected with change of renewal and expiration date will be sent emails, fax blasts to stores, etc.
